Coaches of Chicago: Inspiring Stories about Leadership and Life

Stormy, husky, brawling! "Coaches of Chicago" reveals the raw, vulnerable, and demanding realities of leadership in the volatile and gritty high school hoops culture. Malnati, Pappas, and Pingatore deliver authentic lessons of humanity in a milieu fraught with controversy, scandal, and greed. This provoking collection of conversations, stories, and quotes is essential reading for coaches, leaders, teachers, and parents who strive to improve their teams, businesses, classrooms, and families.

Black Nature: Four Centuries of African American Nature Poetry

Black Nature is the first anthology to focus on nature writing by African American poets, a genre that until now has not commonly been counted as one in which African American poets have participated. Black poets have a long tradition of incorporating treatments of the natural world into their work,

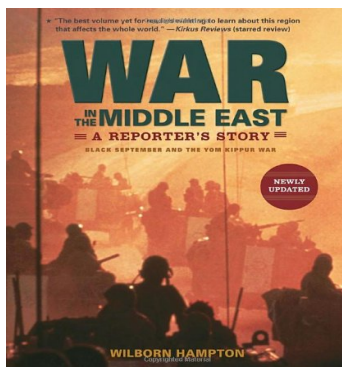

The Hebrew Bible as Literature: A Very Short Introduction (Very Short Introductions)

The Hebrew Bible, or Christian Old Testament, contains some of the finest literature that we have. This biblical literature has a place not only in the synagogue or the church but also among the classics of world literature. The stories of Jacob and David, for instance, present the earliest survivi

What others say about this ebook:

Review 1:

If you desire a taste of some history of high school basketball in Chicago, a well written and researched tome, and an appreciation of the Herculean tasks facing committed coaches, Paul Pryma's book is for you. Paul pays tribute to three excellent coaches while describing methodologies and strategies any teacher can apply. I have known Paul as an inspiring teacher, leader, and coach himself - the book does him justice as well. A winner!

Review 2:

Paul Pryma does an outstanding job of telling the public how ordinary teachers/coaches do extraordinary jobs with student athletes through their role as coaches

Review 3:

Great book. I read it to learn something about coaching but instead learned many life lessons.

Review 4:

Great book for anyone from Chicago!

Review 5:

Excellent read ! Great stories about 3 coaches with completely different styles, philosophies and approaches.--but who were all successful at their craft . You definitely do not have to be a basketball fan to enjoy this book and the interesting stories behind the 3 men depicted. Highly recommended !
