Circle Series 4-in-1 (The Circle Series)

Rare is the story that takes readers out of this world and into another. Rarer still the story that captures heart, soul, and mind...leaving the reader forever transformed. This is that story. Dive deep and enter the Circle. The Circle is an epic story of evil and rescue, betrayal and love, and terrorist threat unlike anything the human race has ever known. What others say about this ebook:

Review 1:

Enjoyed!! Great mix of scripture and fiction!

Review 2:

It's good, but it does take to long to get to the point. haven't read the last book yet, it seems it shouldn't even be a part. a trilogy would have been better i can already tell. Don't read if you don't want parallels to the bible or to read something with a clear conservative/ non gay/ "hate the sinner not the sin" agenda.

Review 3:

I like to read

Review 4:

I think that it is on the line of what the bible says could happen and I love it

Review 5:

Great suspense as only Decker can do
