**What others say about this ebook:**

**Review 1:**

**This book is exactly what it says. Only I would say it is extreme inspiration and encouragement as it is beautifully written and another great book in this series. I went ahead and bought the entire series because every one of them is so good. Reading it last night caused a surreal calmness to melt all over me. I will be re-reading this many times to come.**

**Review 2:**

**ok, short**

**Review 3:**

**As diamond cuts diamond, so do quotes of the Awakened correspondingly Awaken the sincere aspirant. Such Awakened quotes are essential nutrients for those on the Direct Path to Liberation. Such Awakened quotations are mighty gifts which never wither, sunder, or rust. These treasures beyond measure constitute the six volume SELF REALIZATION SERIES. They were uttered by sages among us who discovered the deathless as a result of their own ceaseless exertion. Now their timeless voices, as compiled here, fearlessly and lovingly encourage that same exertion within us.**

**You simply can't go wrong with the ultra-powerful Awakened guidance of the SELF REALIZATION SERIES.**

**Especially if you're disciplined and devoted -- or yearn to be!**

**The effects of these Awakened words pave the way for perfection.**

**They help us become fully Awake in all aspects of our Being.**

**And how these quotes delight us! Over and over! How suddenly and continually they galvanize our diamond essence. Each time you read them it feels as if we're being lovingly struck by cosmic lightning bolts. And that's because we are! That's how language of the truly Awakened manifests in time and space. That's how their words transform us. Indeed, these quotations are the rarest of gifts, like stars once forever out of reach in whose light we now bask and bloom. The worth of such truly Awakened words is inestimable, their energetic blessing silent yet forever expanding. They are undisguised images of love which never die. They are views of an infinite meadow in the here and now.**

**The SELF REALIZATION SERIES are an immense service to the spiritual aspirations of mankind. Each volume is slim and unobtrusive, like beams of sunlight on a cloudy samsaric afternoon. Each masterful quotation and the editor's introduction to each volume are all pervading, blissful, and conducive to more and more spiritual strength.**

**With such quotes guiding us toward Eternal Bliss luminously assembled for essential Direct Path cultivation, we are being given a gift we can repay only by ascending Mount Freedom to its summit.**

**I urge all true practitioners to purchase the SELF REALIZATION SERIES. The price is minimal, the sunrise brighter and brighter. The practical usefulness of these texts will last a lifetime. I won't waste space here to reiterate the Path stages and essentials to which each volume is dedicated:**
