The Crowd

This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.

What others say about this ebook:

Review 1:

Must read

Review 2:

This helps explain all the violence that I have seen in my life. It's also explain how leaders get to control crowds and have them acted in an unexplainable way

Review 3:

a big inspiration

Review 4:

This is a master piece of work that every person must read in this period of human history. Don't get carried away, avoid the crowd, get your facts straight, and think for yourself. Reading it is a must.

Review 5:

Zzzzzzzz
